

OFFICE ORDER NO. 04, SERIES OF 2026
AN OFFICE ORDER IMPLEMENTING THE "MANDATOS INITIATIVE:
INTEGRATING AND STRENGTHENING DATA-DRIVEN DECISIONMAKING IN
INTERNAL SYSTEMS, PROGRAM IMPLEMENTATION, AND EVALUATION"

In line with the Office's commitment to operational excellence, evidence-based management, and continuous improvement, there is a need to strengthen the collection, management, analysis, reporting, and utilization of data across internal operations, program implementation, and evaluation activities.

As the programs, projects, and services of the SMILE I.T. Lab – Digital Transformation Center and the Smile Taytay Training Institute continue to expand in scale and complexity, the establishment of unified and standardized data systems has become necessary to support informed decision-making, improve organizational responsiveness, optimize resource utilization, and enhance service delivery outcomes.

Recognizing that reliable and timely information serves as a critical foundation for effective planning, implementation, monitoring, and evaluation, the Office hereby adopts the **ManDATOS Initiative: Integrating and Strengthening Data-Driven Decisionmaking in Internal Systems, Program Implementation, and Evaluation** as an internal management and governance mechanism for institutionalizing data-informed practices across all functions and operations of the Office.

Accordingly, the following guidelines and provisions are hereby issued for the information, guidance, and compliance of all concerned personnel.

SECTION 1. TITLE.

This Office Order shall be known as the **"ManDATOS Initiative: Integrating and Strengthening Data-Driven Decisionmaking in Internal Systems, Program Implementation, and Evaluation."**

SECTION 2. DECLARATION OF POLICY.

It is hereby declared the policy of the Office to cultivate a culture of evidence-based governance and continuous improvement by ensuring that decisions relating to internal operations, program design, implementation strategies, resource allocation, stakeholder engagement, and organizational development are supported by accurate, relevant, and timely data.

SECTION 3. OBJECTIVES.

The ManDATOS Initiative shall pursue the following objectives:

1. Institutionalize data-driven decision-making across all operational and programmatic functions of the Office;
2. Standardize procedures for data collection, validation, storage, analysis, reporting, and utilization;

3. Strengthen monitoring and evaluation mechanisms to measure program efficiency, effectiveness, impact, and sustainability;
4. Enable management and personnel to make informed decisions based on objective evidence and measurable indicators;
5. Improve accountability and transparency in program implementation and resource utilization;
6. Facilitate the generation of insights and recommendations for policy development, program enhancement, and organizational improvement; and
7. Promote a culture of continuous learning and adaptive management through regular review and utilization of performance data.

SECTION 4. COVERAGE.

The provisions of this Office Order shall apply to all personnel, programs, projects, initiatives, services, and operational processes under the SMILE I.T. Lab – Digital Transformation Center and the Smile Taytay Training Institute, including satellite offices, learning hubs, and future expansion facilities.

SECTION 5. CORE COMPONENTS OF THE MANDATOS INITIATIVE.

The Initiative shall consist of the following components:

a. Internal Systems Analytics

The Office shall establish and maintain digital systems for monitoring internal operations including, but not limited to:

- Personnel deployment and utilization;
- Attendance and work-hour compliance;
- Facility utilization;
- Equipment inventory and asset management;
- Financial and operational expenditures;
- Client servicing statistics; and
- Administrative workflow efficiency.

b. Program Implementation Intelligence

All programs and projects shall maintain standardized datasets that include:

- Enrollment and participation records;
- Demographic profiles of beneficiaries;
- Attendance and completion rates;
- Learning engagement indicators;
- Outputs and deliverables;
- Stakeholder participation; and
- Program implementation milestones.

c. Monitoring, Evaluation, and Learning Systems

The Office shall establish mechanisms for measuring:

- Reach and accessibility;
- Efficiency and cost-effectiveness;
- Outcome achievement;

- Beneficiary satisfaction;
- Employability and livelihood outcomes;
- Certification and examination success rates; and
- Long-term impact indicators where applicable.

d. Data Visualization and Reporting

Relevant operational and programmatic data shall be transformed into dashboards, scorecards, performance reports, and visual analytics to support executive and managerial decision-making.

e. Continuous Improvement Mechanisms

Findings generated through data analysis shall serve as inputs for:

- Policy formulation;
- Program redesign;
- Resource allocation decisions;
- Capacity-building interventions; and
- Strategic planning processes.

SECTION 6. GENERAL RESPONSIBILITIES OF PERSONNEL.

All personnel are hereby directed to:

1. Ensure the timely, accurate, and complete submission of required data and reports;
2. Utilize approved digital tools, databases, and information systems for data management purposes;
3. Maintain the integrity, confidentiality, and security of information under their custody;
4. Participate in capacity-building activities related to data analytics, monitoring and evaluation, and digital governance; and
5. Utilize available evidence and performance information in recommending actions, policies, and interventions.

SECTION 7. MANDATOS INITIATIVE COORDINATING TEAM.

To ensure the effective implementation, coordination, monitoring, and continuous improvement of the MandATOS Initiative, the **ManDATOS Initiative Coordinating Team (MICT)** is hereby organized with the following composition:

Position	Designation in the Initiative
Section Manager	Initiative Lead
Assistant Manager	Co-Lead for Internal Systems and Operations Analytics
Innovations Officer	Co-Lead for Data Analytics, Digital Systems, and Innovation
Records and Administrative Officer	Co-Lead for Data Governance, Records Management, and Compliance

Training Quality Assurance and Partnerships Officer	Co-Lead for Program Monitoring, Evaluation, Quality Assurance, and External Linkages
---	--

The ManDATOS Initiative Coordinating Team shall serve as the Office's primary body responsible for the planning, implementation, coordination, monitoring, and periodic review of all activities undertaken pursuant to this Office Order.

Specifically, the Team shall:

- a. Develop and maintain standardized data collection, validation, reporting, and documentation mechanisms;
- b. Establish and monitor key performance indicators, targets, and performance dashboards for internal operations and program implementation;
- c. Consolidate and analyze operational and programmatic data to support managerial and strategic decision-making;
- d. Ensure compliance with established data governance, records management, and information security standards;
- e. Generate periodic reports, analytics, and recommendations for management action and organizational improvement;
- f. Recommend enhancements to internal systems, workflows, and program delivery mechanisms based on data-driven insights; and
- g. Facilitate capacity-building initiatives related to monitoring and evaluation, data analytics, digital governance, and evidence-based management.

The Initiative Lead may designate additional personnel, focal persons, or technical working groups as may be necessary to support specific components or activities of the ManDATOS Initiative.

SECTION 8. ESTABLISHMENT OF PERFORMANCE DASHBOARDS.

The Office may establish operational dashboards and program scorecards for major programs and initiatives to enable real-time monitoring of implementation status, performance indicators, and organizational outcomes.

These dashboards may include key performance indicators such as:

- Number of beneficiaries served;
- Program completion rates;
- Employment and livelihood outcomes;
- Certification and examination passing rates;
- Revenue and cost recovery metrics;
- Stakeholder satisfaction ratings; and
- Operational efficiency indicators.

SECTION 9. DATA GOVERNANCE AND PROTECTION.

All data collection, processing, storage, sharing, and utilization activities conducted pursuant to this Office Order shall comply with applicable laws, regulations, and policies governing data privacy, information security, and records management.

Personnel shall ensure that sensitive and personal information is protected against unauthorized access, disclosure, alteration, or misuse.

SECTION 10. CAPACITY BUILDING.

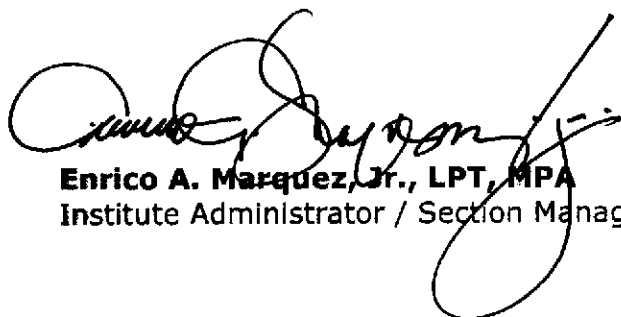

The Office shall undertake regular capability-building activities to strengthen competencies in:

- Data collection methodologies;
- Monitoring and evaluation;
- Data analytics and visualization;
- Evidence-based policymaking; and
- Digital governance and information management.

SECTION 11. EFFECTIVITY.

This Office Order shall take effect immediately upon issuance and shall remain in force unless amended, superseded, or revoked by subsequent issuance.

Issued this 16th day of July 2026 in Taytay, Rizal.

Enrico A. Marquez, Jr., LPT, MPA
Institute Administrator / Section Manager
